

Charges

One-off charges taken before or after you invest

Entry charge None

Exit charge None

This is the maximum that might be taken out of your money before or after it is invested.

Charges taken from the fund over a year

Ongoing charges 0.91%

Charges taken from the fund under certain specific conditions

Performance fee

None

The charges you pay are used to pay the costs of running the fund, including the costs of marketing and distributing it. These charges reduce the potential growth of your investment.

The entry and exit charges shown are maximum figures and in some cases you might pay less. You can find out the actual entry and exit charges from your financial advisor.

The ongoing charges figure is based on the last year's expenses for the year ending December 2019 and may vary from year to year.

Please see the prospectus for more details about the charges.

Past performance

Past performance is not a guide to future performance and may not be repeated. The value of investments may go down as well as up and you may not get back the amount you originally invested.

The chart shows performance in British pound after the ongoing charges and the portfolio transaction costs have been paid.

The fund was launched on 05 May 1970.
